SPONSORSHIP OPPORTUNITIES

WHY AHA?

Heart diseases are responsible for **1 out of every 3 deaths**, making them the nation's number one killer. These diseases affect everyone – men, women and children. Your local AHA is working to stop these tragic statistics by raising the critical funding needed for research, education and community programs that lead to **healthier lives, free of cardiovascular diseases and stroke**.

THE TOURNAMENT

The American Heart Association Golf Tournament is a captain's choice scramble that supports the fight against heart diseases and stroke. The tournament is specially dedicated to raising awareness of heart disease in women and the **Go Red for Women** campaign.

Senior level executive leaders (men and women alike) from across the metropolitan DC region compete in the tournament. The event day includes breakfast, silent auction, exciting challenges, raffle items, and post-event awards dinner. In the past six years alone, participants have raised more than **\$1.3 million** for the mission of the AHA.

WHEN Monday, April 30, 2018, 8:30am - 4:00pm

WHERE Woodmont Country Club, Rockville, MD
This private and exclusive club hosts a U.S. Open sectional qualifier and enjoys great prestige among golfers in the area.

SPONSORSHIP OPPORTUNITIES

Our Golf Tournament Mission Sponsors have the opportunity to pick one of three mission related sponsorships with year-round benefits and significant day-of-tournament benefits. A custom package can be designed to best meet your goals and objectives.

GO RED FOR WOMEN SURVIVOR CELEBRATION

During the 2016 Golf Tournament, individuals will be celebrated for their survival of heart diseases and stroke, one of whom will be the featured speaker of the day. Each person will be recognized at a different hole with a poster with your company's logo and featured on our website www.ahagolftournament.org. Sponsorship also includes two foursomes in the tournament, and company logo on all printed materials and website.

GO RED FOR WOMEN WELLNESS SYMPOSIUM

The Go Red For Women Campaign dispels myths and raises awareness of heart diseases as the number one killer of women. This sponsorship would allow your company to officially present the annual Go Red for Women's Wellness Symposium happening concurrently with the golf tournament at Woodmont Country Club. Women from across the region will learn how heart disease affects a family and how they can help stop heart disease in our lifetime. At the same time, they will experience new ways to nurture their body, mind and spirit in a relaxing and welcoming atmosphere for women of all ages. Sponsorship also includes two foursomes in the tournament, and company logo on all printed materials and website.

CPR EDUCATION

Did you know a golf course is the fifth most common place to suffer from cardiac arrest? This CPR Education sponsorship includes:

- Formal CPR training for up to 12 people
- An opportunity to host a CPR workshop for participants on the morning of the tournament
- A CPR Anytime kit distributed to each foursome in the tournament with your company logo and one AED to be installed at the golf course of your choice.

Sponsorship also includes foursomes in the tournament, and company logo on all printed materials.
